

Become a Member:

Professional – Persons actively engaged in municipal arboriculture or in related fields such as: city forester, city arborist, shade tree commissioner, tree warden, or any persons officially in charge of city street or park tree planting and management, or their assistants. Also, county, state, or federal employees who are charged with responsibility of assisting municipalities with arboriculture needs. Non-commercial people in fields related to arboriculture, such as: landscape architects, scientists, and managers of arboreturns can apply. Annual dues are \$85.00.

Corporate – Membership for commercial companies representing products and services of the arboriculture field. Corporate members are entitled to one voting member, and employees of the company are entitled to discount non-voting memberships at \$35 a year. Annual dues are \$150.00.

Municipal - This group includes cities and towns with the same privileges as a corporate member with one vote. This category receives one printed copy of City Trees. **Annual dues** are \$150.00, up to five non-voting members may be included at an additional \$35 per person.

Senior – This subcategory of Professional membership includes retired municipal arborists. Annual dues are \$50.00.

Student – This subcategory of Professional membership includes full-time students of a college or horticultural school, enrolled in arboriculture. Annual dues are \$50.00.

Affiliate - This group includes non-professional individuals, who are not eligible for membership in another category, such as members of non-profits, state councils, and allied professions who are not currently employed in an urban forestry position. This category has no voting rights but receives an electronic copy of City Trees. **Annual dues** are \$50.00.
